

Dear Household of God,

1 Timothy 3:16 By common confession, great is the mystery of godliness:
He who was revealed in the flesh,
Was vindicated in the Spirit,
Seen by angels,
Proclaimed among the nations,
Believed on in the world,
Taken up in glory.

I pray that we increasingly understand the revelation of King Jesus.
I pray that we proclaim Christ to ALL people.
I pray that as sincere believers others will sincerely believe.

I want all of our members to know that minutes of our Member's Meetings (business meetings) are kept on file and available to members who were not able to attend. This has always been the case, but it is even more relevant in these unprecedented times. I want to give you a few reports from this past business meeting but these are NOT the official minutes.

God has led the members of Candies Creek Baptist Church Campus to contribute in 2020 YTD (January to June) the second most this year of the last 6 years at \$389,604.63 (with the most being \$401,757.49 in 2016), and we are in the middle of a pandemic. Praise the Lord.

The Body approved a "more formal" ReGathering Task force made up of Donnie Davis (Security Ministry Leader), Shawn Williams (Chairman of Deacons), David Gluckner, Dr. Josh Olmstead, Billie Jean Strike, Donna Thomas and Kim Woulfe. This group is serving as an advisory team to the pastors and staff.

Unity was displayed and hearts were heard in the conversation regarding the Payroll Protection Program. There was a high percentage of yes' to no's and several who abstained from voting... And a paraphrased summary of the motion and vote was that the church body will ask for forgiveness of the salaries of the school employees and the church body will give back (pay back, return) all monies associated with the church employees. The church body and the school as a ministry of the church body believe that God is the ultimate Provider.

Grateful for Christ and His Church Body,
Pastor Stan
