

Dear Household of God,

Pray that all over your community, Christians will be diligent in putting on love, "which is the perfect bond of unity" (OneCry prayer from Colossians 3:14).

I am attaching an Announcement Sheet from Marilyn and a Deacon Nomination/ Election Ballot. I am very grateful for our staff, deacon servants, community group leaders, ministry leaders and our entire church body. Thank you for doing your part in these scattered and uncertain times. Pray for us to have wisdom in these times and as we move toward God's preferred future for Candies Creek.

Please don't hesitate to call my cell phone or email me if you have any questions, concerns, needs, prayer requests, etc. I am available to meet face to face if you want to set that up by email, text or a call. I could come to you or you could come to me.

Sunday, and everyday for that matter, please make a safe decision for yourself. Remember that we will be masks only inside the worship center. We will have audio from inside the worship center on the FM transmitter for the parking lot, and the pavilion should have more quality sound this week as well for those not wearing a mask. You all are a persevering people, and that does not go unnoticed.

The link for the guidelines for this Sunday:

Praying for love and unity,
Pastor Stan
