

Dear Body of Believers,

Remember Day 36 of Praying with Jesus: 40 Days Toward Church Revitalization in the last section, "Patiently Awaiting Transformation."

Pray... "Lord Jesus, Your grace is amazing! I praise You for Your goodness, Your steadfast love, and Your lovingkindness which endures from generation to generation! Thank You for not giving up on the church at Laodicea, and thank You for not giving up on Candies Creek either. We cannot accomplish revitalization without You, so we rejoice that You are with us in this journey, and that You will guide us through every decision and situation. Please make Your presence known to us in every step of our revitalization, and provide wisdom and counsel from Your Word and Your Spirit. I humbly ask this in Jesus' Name. Amen."

This was my opening statement in the gathering yesterday in response to the Sunday before...

"I am deeply persuaded that The Holy Spirit was very present in the outcome of the Shiloh Baptist Church vote because GOD WANTS JONATHAN and ME to continue serving Him, one another and THE BODY OF BELIEVERS known as CANDIES CREEK BAPTIST CHURCH in order to be a PASTORAL TEAM that leads you all to EQUIP KINGdom CITIZENS one person at a time until ALL have heard."

Please pray for Candies Creek Academy as they resume on campus classical Christian education. The small class sizes are really a blessing in these times. Orientation went well Friday night, and everyone is working hard to be safe and be together.

Patiently Awaiting Transformation,
Pastor Stan
