

Dear Church Family,

We continue forward to Day 38 of Praying with Jesus. I hope to keep saying that we don't want to go through good things... we want good things to go through us. Sometimes this takes looking at things 27 times. For our 40 Day Journey earlier this year to impact us, then we need to remember it and revisit it.

Pray... "Father, the revitalization journey we are taking is not without its difficulties. I am confident that You know about them better than I do. However, I am often discouraged and tempted to give up because of the resistance I sometimes feel from others. Help me by Your Spirit to disregard the temptation to fear man and instead to trust You. Help me to walk in grace with those who do not yet favor the revitalization effort. Use our resolve to inspire others to surrender to Your plan for our church's future. I ask this in Jesus' Name. Amen."

In 2020, join me in praying that we "Remove the Mission Fog" so that as "FELLOW WORKERS" we can build on unity and see "organizational clarity." A year is a long time to pray for something and work on something. Persevering for a year took on new meaning when the pandemic hit. God is working! God is working! God is working!

"Patiently Awaiting Transformation,"
