

Dear Candies Creek Baptist Family,

I am continuing to lay out the prayers from "Praying with Jesus: 40 Days Toward Church Revitalization." Pray with me again according to Day 39.

Pray... "Jesus, we long for our church to be a faithful partner and contributor to the work of seeing Your Kingdom come so that in eternity every tribe and tongue, people and nation will be represented! Please revitalize our church and make us an active, fruitful part of Your eternal agenda. Renew us; restore Your glory in us and among us; revitalize every aspect of our church to make us Christ-centered, Biblically-grounded, and Gospel-driven. I ask this for Your glory alone! Amen."

We will continue with Masks Only (the whole time) inside the Worship Center on Sunday morning at 8am and 11am. The 8am pavilion venue which does NOT require masks has had the greatest spike in attendance. Both the 8am and 11am pavilion services have the audio from the worship center as well as song lyrics and sermon slides. We are still upgrading our network capabilities. Thank you for your patience and engagement.

I am posting the Guidelines for this weekend which has not changed.

John 13-17 is a great text in which Jesus slows down with the disciples in the upper room before the crucifixion. We will spend the next six weeks looking at John 15:1-17. Please spend time in this particular text and in the context (13-17) over and over throughout the six weeks (and beyond)!

Patiently Awaiting Transformation,  
Pastor Stan
