

Dear KINGdom CITIZENS aka Candies Creek Baptist Church,

Pastor Jonathan will be preaching this week from John 15:6-8 if you want to spend some time in that "common text" that we will use for "congregational teaching." Every verse there has some serious words from God. In "The Relational Disciplemaking Process," Jonathan will deal specifically with MULTIPLYING Generations of disciples of Christ. Listen to this cross reference from Today's Optional Congregational Reading Plan...

John 17:20 I do not ask on behalf of these alone, but for those also who believe in Me through their word;

Key Prayer Points:

I pray that we are "believers" in the fact that Jesus Christ is the Savior King.

I pray that more will "believe" sooner or later.

I pray that we are faithful to PROCLAIM Christ to ALL people.

Last Friday, we prayed over chapter 17 and verse 3. It is pretty cool to pray what Jesus prayed when we really mean it.

The Nominating Team Report with Recommendations for Ministry Leaders will be available this Sunday in the worship center and at the pavilion. Please feel free to ask any questions that you would like to ask regarding Ministry Leaders and Ministry Teams. Toni Goodwin has chaired that team. Alan and Traci Blackburn; Jake and Eve Beard and Thomas Adolph were the other team members. God really blessed us with a simple process. We are in need of an Awana or some Awana Drivers if you would like to reach out to me, Mrs. Christy or Toni Goodwin.

Yesterday's email included this week's guidelines, and they can be found here <https://candiescreek.com/media/updates/>. Many other updates can be found here as well. Please let me know if you have any questions, comments, needs, hurts, etc. I would be treasure journeying with you in conversation.

Because He Lives,
Pastor Stan
