

Dear Kingdom Citizens,

John 13:38 Jesus answered, "Will you lay down your life for Me? Truly, truly, I say to you, a rooster will not crow until you deny Me three times."

Key Prayer Point:

I pray that we lay down our lives for King Jesus (Surrender/Worship).

I pray that our heart and lives lineup with what we say we believe.

Please see the Nominating Team Report made available this past Sunday. We will move to affirm the Nominating Teams Report so that ministry leaders and ministry teams can begin operating with the support of the whole congregation. I am grateful to those who served on the team and those who prayed through positions until God provided who we needed where we needed them to be.

PLEASE FAMILIARIZE yourself with this report as it is a piece of understanding our organization in regard to "praying that in 2020 God would Remove the Mission Fog so that as FELLOW WORKERS we would build on unity and see "organizational clarity."

Thanks to Pastor Jonathan and all the participants that went and received as we interacted with many generations in the "hymn sing" last night!

Have an awesome night and an awesome week.

If I can do anything for any of you, then please let me know.

Because He Lives,  
Pastor Stan
