

Dear Church Family,

Luke 11:1 It happened that while Jesus was praying in a certain place, after He had finished, one of His disciples said to Him, "Lord, teach us to pray just as John also taught his disciples."

Key Prayer Points in order to pray through Luke 11:1...

I pray that we see the value of prayer from Jesus' own heart for prayer and relationship with the Father.

I pray that we keep spending time with Jesus and learning more and more as we pray and about prayer.

"At the beginning of our Christian life we are full of requests to God. But then we find that God wants to get us into relationship with Himself--to get us in touch with His purposes." Oswald Chambers

I hope you continue to examine yourself in this time of a call for a RETURN to God. Let's pray intentionally for our church body, our community, our country and the world (Unreached People Groups in particular). May we be good stewards of the Word of God and other resources the Lord has given us to be a River of Hope in a Thirsty Land and Touch the World for Christ.

Please know that AWANA and Life122 will meet tomorrow night (Wednesday night).

Attached, you will find a promotional piece for the local emphasis "Cleveland Prays" and a reminder of the website clevelandprays.org.

Praying for us to be a Humble People... Hungry for Relationship with God and One Another,
Pastor Stan
