Dear Candies Creek Family-

Thank you so much for the donation to Tula Baptist Church in my mother's memory. If you could have known my mother, you would know that there is no better way to honor her. She loved the church - not just Tula Baptist - but THE CHURCH-

She was always so thankful for Candies Creek- & the way our church family welcomed us into the community - the way CCBC loved on our children & disciplined them!

While we are sad, please know that we are at peace - My momma shared her faith - she lived it out & produced much fruit! She's left a legacy for sure!

With Much Love -
