

Dear Members of the Sending Hub,

Psalm 96:2 Sing to the Lord, bless His name;  
Proclaim good tidings of His salvation from day to day.  
Psalm 96:3 Tell of His glory among the nations,  
His wonderful deeds among all the peoples.

I pray that we sing and bless His name.  
I pray that we proclaim His salvation often.  
I pray that we will have Unreached Peoples and Nations on our heart.

Please continue to pray for Mary that was the first to stay in our recently remodeled M-house. She has been very low in the hospital but is slightly improving. Thank you for being welcoming and praying people.

We will continue to have our Phase 3 schedule... Inside the Worship Center at 8:00 am will be masks only. Inside the Worship Center at 10:30 and inside the StuB at 8:00 & 10:30 will be recommended entering, exiting and singing utilizing Live Stream. Weather permitting, the pavilion will be Live Stream "no masks" at 8:00 and 10:30. We are planning to do FaceBook Live online and the FM transmitter in the parking lot at 8:00 and 10:30 as well. We will continue to do children's, youth and some adult Community Groups on campus at 9:15 (masks entering and exiting recommended). More detailed guidelines attached.

Please be aware that the numbers are rising. We continue to monitor the situation. We want to provide you with the options that are the best for you, your health and the health of others. We continue to see the need for one another, the Word, prayer and the Holy Spirit.

It is God who has chosen us. We are a part of Christ's body. His mercy is more.  
Pastor Stan
