

Dear Candies Creek Church Body,

Ephesians 1:1 Paul, an apostle of Christ Jesus by the will of God, To the saints who are at Ephesus and who are faithful in Christ Jesus: 2 Grace to you and peace from God our Father and the Lord Jesus Christ:

I pray that we will be faithful in King Jesus.
I pray that we experience the grace and peace of God.

I plan to use the first part of Ephesians in this week's emails to pray over you as members of the body. We need prayer and grace and peace in these days.

Please remember the Lottie Moon Christmas Offering, the week of prayer for international missions and the IMB Advent Devotionals (attached).

Sunday afternoon at 4:30 pm in person (masks only) and virtually, we will have a "CCBC DIRECTIONAL SUMMIT." We plan to announce a God-sized goal for 2021 which will hopefully involve each of you. We will have to depend on God in prayer and be interdependent with one another in encouragement and execution. Please calendar this for December 6th. It will be an important hour for our congregation.

God never stops, He never stops working,
Pastor Stan
