Join us Friday, January 22, for our CELEBRATION OF LIFE at The Chapel Cleveland. The short program will start at 6:30PM and end with a candlelight prayer.

New Hope will offer an abortion recovery and healing HOPE Group this February. If you are interested in attending, please reach out to us today! Email us at hope@newhopepcc.org or call (423) 479-6683.

Please wear a mask when entering and exiting the venue. Social distancing guidelines will be honored throughout the event.
