

Dear Disciples of King Jesus,

Matthew 5:3 "Blessed are the poor in spirit, for theirs is the kingdom of heaven."

Cross-reference Matthew 19:14 But Jesus said, "Let the children alone, and do not hinder them from coming to Me; for the kingdom of heaven belongs to such as these."

I pray that we will trust there is blessing in Christ even when we are not feeling it. I pray that we will understand Jesus as King and will be KINGdom minded.

Jake Simko wanted those with "spotify" to have access to the songs we will be using to worship God with in our March congregational worship services. It is powerful when each member of the body comes together in one voice to declare His praise. We will try to put together other tools to help you as members be more familiar with songs used for congregational worship. See the link below:

I am very grateful for Matt Coleman and Meagan Jolley for their service to the body in February! The music/worship pastor transitional/search team will meet Wednesday night and treasures your prayers as well as input. Marsa Garner is organizing a choir for our congregational Easter service that will practice beforehand on Sunday nights spread out in the worship center. Feel free to touch base with her or Marilyn Ebling if you are interested.

I will cut back from daily emails. Please know that God did put that on my heart as a way to keep a brief scripture and a couple of prayer points before you daily in this past year. It is a privilege to keep the "Word of God" before the "people of God."

Trusting Christ,
Pastor Stan
