

Sharing Jesus Without Freaking Out

Chapter 6

“Evangelism Is An Announcement of Good News”

How do I progress in  Relationship with THE LOST?

Chapter 6: **EVANGELISM** is
an **ANNOUNCEMENT** of Good News

Principle #5: People are already interested in what
is best for them; the gospel is best for them.

Chapter 6: Let Them Help You: Start with Them
and They Will Point You to the Gospel

Principle #5: **Expect people to be open** to the
gospel, and learn to share where they live.

God has called us to be His witnesses.

The gospel is His message.

The gospel is great news. p. 85

Proclaiming Christ

1 Thessalonians 2:9 For you recall, **brethren**, our labor and hardship, how working night and day so as not to be a burden to any of you, **we proclaimed to you the gospel of God.**

1 Thessalonians 2:10 You are witnesses, and so is God, how devoutly and uprightly and blamelessly we **behaved** toward you believers; 11 just as you know how we were exhorting and **encouraging** and imploring **each one of you** as a father would his own children, 12 so that you would **walk in a manner worthy of the God who calls you into His own kingdom and glory.**

1 Thessalonians 2:13 For this reason we also constantly thank God that when **you received the word of God which you heard from us**, you accepted it not as the word of men, but for what it really is, **the word of God**, which also **performs its work in you who believe.**

1 Thessalonians 2:14 For you, brethren, became imitators of the churches of God in Christ Jesus that are in Judea, for you also **endured the same sufferings** at the hands of your own countrymen, even as they did from the Jews, 15 who both killed the Lord Jesus and the prophets, and drove us out. They are not pleasing to God, but **hostile** to all men, 16 hindering us from **speaking to the Gentiles so that they may be saved;** with the result that they always fill up the measure of their sins. But wrath has come upon them to the utmost.

Casually communicating Christ, then, begins with meeting people right where they are... (They) have differing levels of knowledge about the gospel. **Your goal is to keep the conversation moving so you can help the other person move closer to understanding their need for Jesus.** p. 92
