

Dear Church Family,

I recognize tomorrow, Sunday, is a big day in the life and ministry of our church family. Please pray in support of the parent-child-church dedication as we highlight our ministries to the next generation. Church members will need to stay after the worship services for a congregational vote. We have been encouraged with those who have had discussions with the search team because of their care for our students and the church family following Jed and Madison's visit with us last weekend. An affirmative vote of at least three-fourths of the members present shall be necessary for election. Historically, we have done a public voice vote. Due to the desire for accuracy and the reality of two services, we will use a public standing vote to affirm the search team's candidate.

Grace and peace,  
Pastor Stan
