

Dear Believer longing for boldness,

Acts 18:9 And the Lord said to Paul in the night by a vision, "Do not be afraid *any longer*, but go on speaking and do not be silent; 10 for I am with you, and no man will attack you in order to harm you, for I have many people in this city."

I pray that we will hear from the Lord.
I pray that we will keep on speaking.
I pray that we will know that God is WITH us.

For those of you who heard Charlie's "brick story" yesterday in the worship service and prayed for him... Richard called Charlie yesterday after NOT hearing from Richard for the two weeks since their conversation at Fresh 'n Low. God is working. People need hope. Real lasting hope is in King Jesus alone!

Also, if you missed Christy's "brick story" from 01.10.21, then I wanted you to have that link: <https://vimeo.com/500031426>. Hearing stories from one another can be encouraging. I pray that you are energized to pray daily... "God, give me today the opportunity to speak with someone about The King, the wisdom to see it, and the courage to take it."

Please reach out if you have needs at this time. Part of being the church body is loving and serving one another (both ways)!

Seeing the Value of Loving God and Loving People,
Pastor Stan
