

Dear Brothers and Sisters in Christ,

Yesterday I used 2 Corinthians 13:11 which was a verse near the end of that letter from Paul. My plan is to do the same each day this week using a variety of Paul's letters and utilizing a verse or two at or near the conclusion.

Ephesians 6:23 "Peace be to the brethren, and love with faith, from God the Father and the Lord Jesus Christ. 24 Grace be with all those who love our Lord Jesus Christ with incorruptible love.

I pray that we recognize that the peace and love we have and need comes from Jesus Christ.

I pray that as members of Candies Creek that we will function as brothers and sisters in Christ.

I pray that our love from the King will be faith-filled and incorruptible back to the King and to others.

I pray that marriages among believers at Candies Creek will be rooted in a love for God.

I pray that the Word and the Spirit will give shape to our marriage relationships.

I pray that we never expect our spouse to provide only what Christ can provide for us.

The church body is made up of people in relationships (married people, families, groups, ministries, etc.).
