

Dear Church Family On Mission,

1 Peter 2:24 and He Himself bore our sins in His body on the cross, so that we might die to sin and live to righteousness; for by His wounds you were healed."

I pray that we are grateful for King Jesus' work on the cross.
I pray that we experience living with Jesus and for Him (healing).

I was led to use this text at Herman Melton's funeral today. We are very grateful for our senior adults. Herman was 96 years old and a delight to be around.

We'll hear from God in Isaiah 58 this Sunday. You were created to honor God and help others with a special calling. Those of us who call on His name are called to reflect His glory in whatever we are doing.

Please be prayerful for our country as we celebrate our independence this weekend. Also know that dependence on God is true freedom!

I've attached the bulletin. Have a great weekend. I hope you drip Jesus in some conversations!

Being healed by His wounds,
Pastor Stan
