

Dear Fellow Workers,

Thursdays are for John 16, this week and in the weeks to come, if you are utilizing the suggested congregational reading plan as we continue to focus on **"EQUIPPING KINGdom CITIZENS** one person at a time until ALL have heard." A reminder...

Mondays---John 13

Tuesdays---John 14

Wednesdays---John 15

Fridays---John 17

We'll be in this VISION SERMON SERIES through September 20th so you can use this reading plan until then. We'll continue to see how phrases from John 15:1-17 inform our definition of a disciple and therefore "the relational discipling process."

Samuel Chadwick said, "To pray in the Name of Christ is to pray as one who is at one with Christ, whose mind is the mind of Christ, whose desires are the desires of Christ, and whose purpose is one with that of Christ." (See that His Name is used in John 16:23-24)

Thanks for your patience as we continue to scale back a lot of ministry in an effort to be considerate of our local hospital. Candies Creek Academy continues to meet, and we praise the crucified, risen KING that we have not encountered any major illnesses while understanding that it could happen. You should see a tent soon in the parking lot as we prepare for AWANA where the majority of the participants will be outside. AWANA is a big part of children's ministry and we look forward to ReGathering for AWANA. For those that feel best "at home," AWANA is available for you as well.

You see the guidelines for what we have called Phase 1.5 which means that we will be wearing masks inside the worship center and masks will not be required in the pavilion. We believe GATHERING is essential for believers who are NOT vulnerable and we want to do our part to stop the spread. Thanks again for your patience and your consideration of our local hospital employees.

Patiently Awaiting Transformation!
God is working,
Pastor Stan
