

Dear Men and Women who have found life and peace in The King,

Malachi 2:5 My covenant with him (Levi) was one of life and peace, and I gave them to him as an object of reverence; so he revered Me and stood in awe of My name.

I pray that we experience life and peace in King Jesus.
I pray that we have a healthy reverence for God and His Word.
I pray that we are in awe of the name, Jesus Christ (King).

Feel free to spend time in Malachi over the next two weeks. It is a short minor prophet and only four chapters. In my Bible, it is only five pages. The good part of the Priesthood of the Believer is that we all have direct access to God. The Priesthood of the Believer may also put more responsibility on all believers. One way I summarized Malachi 1 is that "half-hearted spiritual leaders are dangerous." And now, I have to look in the mirror! God doesn't want any of us to be half-hearted, especially leaders!
