## Rooted

We feel led to open our lives and home to young married couples. We desire to pour into young couples the way we were poured into in our younger years. We have been married for over 30 years now and have raised 4 children. We believe that God intended for us to do life together and He has blessed us with a home and the desire to fellowship.

Titus 2:3 tells us to *"...Teach what is good, so we may encourage the young women to love their husbands and to love their children, to be self-controlled, pure, homemakers, kind, and submissive to their husbands so that God's message will not be slandered."*

Ephesians 3:14 says, *"For this reason, I kneel before the Father from whom every family in heaven and on earth is named. I pray that He may grant you, according to the riches of His Glory, to be strengthened with power in the inner man through His spirit, and that the Messiah may dwell in your hearts through faith. I pray that you, being rooted and firmly established in love, may be able to comprehend with all the saints what is the length and width, height and depth of God's love, and to know the Messiah's love that surpasses knowledge, so you may be filled with all the fullness of God."*

We invite young married couples to join us beginning on Sunday, January 14th at 6 pm. We plan to meet in our home every other Sunday evening, to share a meal and study God's Word together.
