Still Good is a joint memoir told from the autobiographical account of Rachel Landrith Lorraine that is supported by journal entries from her father, David Landrith, over a 20 month period. Through showing the personal struggles of a man faced with likely death, and the impact this has upon his family, Rachel aims to prove this argument: while suffering is inevitable, God is still seated on his throne and can be trusted.

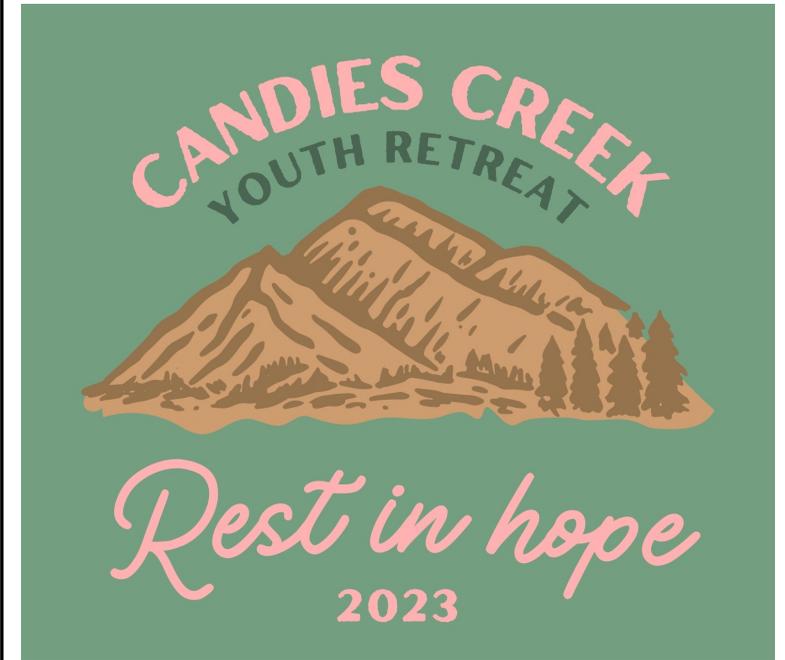

Available in the church office for \$17.00.

Fall Retreat 23: "Rest in Hope"

November 3 - 4th

The students will be staying at Johnston Woods for one night and participating in an Experiential Retreat that will involve self-reflection, unstructured rest, and practicing of spiritual disciplines that all center around REST. If we TRUST God to make good on His promises then we don't have to make things in the future happen, but we TRUST Him and REST in His promises.
