

Dear Members of Candies Creek Baptist Church on Mission,

Mark 1:17 Follow me, and I will make you become fishers of men.

I pray that we are FOLLOWING Christ.

I pray that we are becoming fishers of men

(MULTIPLYING generations of disciples of Christ).

In order for us to play a part in MULTIPLYING generations of disciples of Christ, we will have to depend on the power of God's Word, Prayer, The Holy Spirit and Relationships. Could you come alongside someone to befriend them, read the Bible, ask some questions, tell some stories and encourage application? If so, we believe you can EQUIP KINGdom CITIZENS. I am excited to see what God does over the next 7-14 years as we think big, start small, go slow and build deep. There is a load of potential in the blue chairs and the pavilion's picnic table benches each and every week. The ReFocus Vision Team has taken on a great responsibility as leaders to give you as members of this awesome body a clear vision, a relational discipling process and nine priorities that we can all use to touch the world for Christ as a river of hope in a thirsty land.

Tomorrow night (Wednesday), we will be in the Worship Center at 6:00 pm for Bible Study and Prayer regarding the persecuted church.

Please pray for our folks doing Ocoee Outreach this week in the Prospect area of our county.

Because Jesus Lives,  
Pastor Stan
