

Dear Children of the King,

Psalm 28:7

The LORD is my strength and my shield;  
My heart trusts in Him, and I am helped;  
Therefore my heart exults,  
And with my song I shall thank Him.

I pray that we are TRUSTING the Lord and leaning on His help.  
I pray that God is our strength and shield.

Please spend time with the scriptures on "surrendering" for prayer, meditation,  
truth and living in the attached document.

Mark your calendars for December 13th delivering Christmas Cards to the listed

We continue to join God in His work... He is still working,
