Transition Team Announcements

Together with the pastors, the S.T.I.R.R. Team (Students Training in Righteousness & Responsibility) and the Dream Team (student ministry adult volunteers), Riley Brashier has agreed to serve our church family and the student ministry, 7th-12th grade, in particular. His primary assignments will be organizing the on-going Sunday and Wednesday student ministries in addition to caring for the students. He will do this in a part time transition capacity along with his full time leadership with Candies Creek Academy. Pastor Stan and Pastor Dave will serve in advisory roles and are available for students and parents alike. God knows what He is doing and is so faithful to provide Riley in this transition time. Pray for Riley as he directs the student ministry and our students to live out one-anothering-one-another.

Together with the pastors and existing college ministry volunteers, Dr. Brendon Witte has agreed to serve our church family and the college ministry. Dr. Witte will also join Pastor Stan and Pastor Dave in congregational teaching. He will do this in a part time transition capacity along with his full time role at Christ's Legacy Academy in Athens. Please pray for Dr. Witte as he steps into this role to help us build a discipling culture and pours into the next generation.
