Goal

June-August

A School for the Nations

The StuB renovations continue which will bring that building up to code for CCA to use and which will be funded by CCA. We started the school with a desire to use our facilities to house a school for the nations. This has been a long journey for the school board. We appreciate your patience in the construction phase. The building being reclassified is an answer to prayer. Praise the Lord. The building will be safer for church and school use as a new set of stairs will provide a second egress.

Thank You! Thank You! ...to all the groups who served this year!

...and for your faithfulness in signing up to serve every year!
