## August 2020

*To every thing there is a season, and a time to every purpose under the heaven:*

*A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;*

*A time to kill, and a time to heal; a time to break down, and a time to build up;*

*A time to weep, and a time to laugh; a time to mourn, and a time to dance;*

*A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;*

*A time to get, and a time to lose; a time to keep, and a time to cast away;*

*A time to rend, and a time to sew; a time to keep silence, and a time to speak;*

*A time to love, and a time to hate; a time of war, and a time of peace*

## ALL CALL!

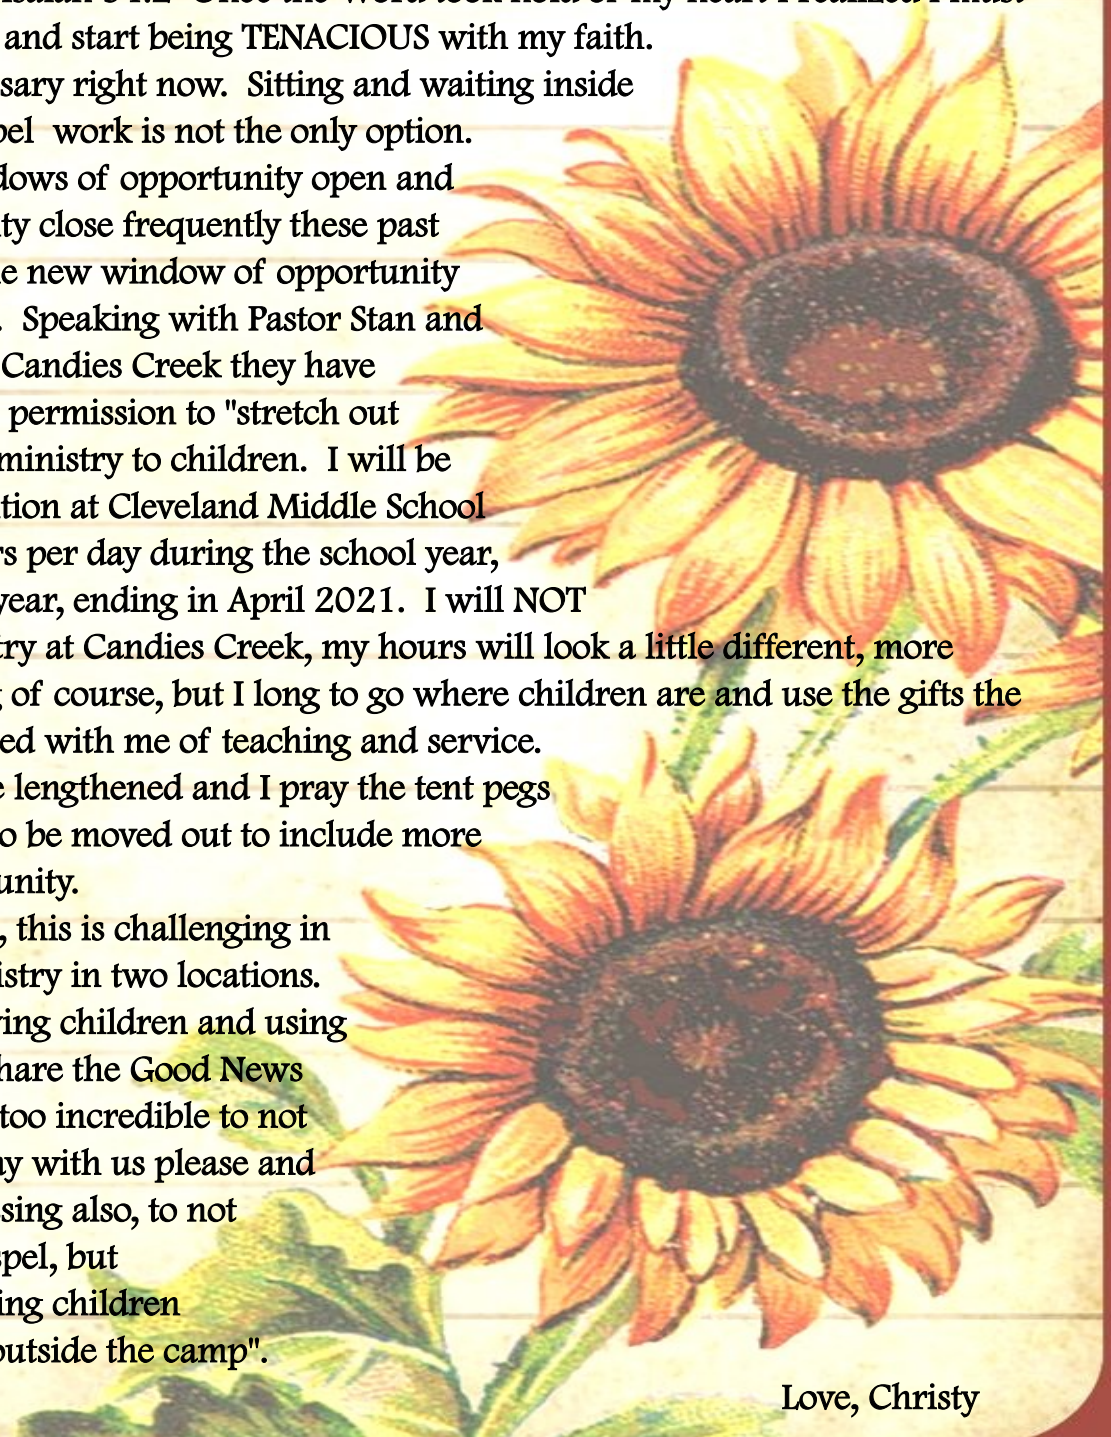

We will be adding Children's Ministry info to our new ALL CALL system! We hope to keep you up to date and in the know without overwhelming you. You can also follow Candies Creek Kids on Instagram or Facebook for fun pics and announcements.

## Nursery

We hope to open nursery Sunday mornings in September through reservation. This is not to be exclusive or limiting, but for better planning of volunteers and resources. More details to follow but we are so excited to be able to serve you again.

First off, I am not leaving Candies Creek in any way! Like that adult child you cannot get out of your basement and out on their own, I am here to stay. This is my home and you have essentially raised me and are responsible for me, and I am responsible for serving you and children at Candies Creek. Covid-19 however, did prompt me, like many others, to pray diligently about how to do ministry when the church building is empty. A staff member is inside the building a lot! And that is good. Our Lord and church body has given graciously so that we have many physical resources on hand to use to love people and serve them. But just as we took VBS to the community and neighborhoods in June, I feel very strongly the Lord is saying to "enlarge the place of your tent, stretch your tent curtains wide, do NOT HOLD BACK, lengthen your cords, strengthen your stakes. For you will SPREAD OUT to the right and to the left..." Isaiah 54:2 Once the Word took hold of my heart I realized I must quit being TENTATIVE and start being TENACIOUS with my faith. Working hard is necessary right now. Sitting and waiting inside the building to do gospel work is not the only option. We have all seen windows of opportunity open and windows of opportunity close frequently these past few months. Here is the new window of opportunity I am sharing with you. Speaking with Pastor Stan and our Personnel team at Candies Creek they have graciously allowed me permission to "stretch out and not hold back" in ministry to children. I will be taking a part time position at Cleveland Middle School of three and half hours per day during the school year, serving 133 days this year, ending in April 2021. I will NOT HOLD BACK on ministry at Candies Creek, my hours will look a little different, more afternoon and evening of course, but I long to go where children are and use the gifts the Holy Spirit has entrusted with me of teaching and service. My cords will likely be lengthened and I pray the tent pegs of ministry will need to be moved out to include more children in our community. Rick and I are realistic, this is challenging in some ways, doing ministry in two locations. But the one goal of loving children and using every opportunity to share the Good News (overtly and subtly) is too incredible to not take advantage of! Pray with us please and I do ask for YOUR blessing also, to not be a slacker of the Gospel, but boldly serving and loving children "inside the camp and outside the camp".

Love, Christy

Another summer has come and gone but this summer was unlike any other summer in recent history. However, different is not always a bad thing as in some ways this was the most consistent summer for students and ministry. We gathered weekly, many times twice a week, to be challenged in our walk with God, build community, and give an opportunity for leaders to lead out in ministry. Camp was also a tremendous blessing from those who did stuff behind the scenes to make it work, the countless volunteers who cleaned, drove their vehicles to carpool students, served as counselors, and the students who participated. I always leave the camp setting encouraged by the church because in a small way I get to see the church at work serving each other and helping provide an opportunity for growth and equipping to happen in students' lives.

With that said, I want to say "Thank You" church for your prayers which demonstrate how much you care for the next generation. CCBC has over the last several decades been committed to the next generation and has fervently prayed for their growth. I believe a true sign of loving the local church is to want the church to outlive our own lives, and you all's prayer, giving, and service to the student ministry over the years has been a true demonstration of that love.

I have always felt loved and cared for in my time here and I am grateful for not only that but for how you love my family. Please pray for me and my family as, at the time of writing this, we pray for God's will for our future ministry. While in some ways we feel in limbo right now, we trust God will not only bring clarity but also the grace and strength to step through to the next phase of ministry here or at Shiloh. We are truly dependent upon Him at all times. I pray that no matter what. God grows me, my family, the students, and the church as a whole in faith that we can trust Him for what we cannot see!

On another note, we are going to attempt something new during this COVID-19 season with Community Groups. Due to the schedule difference and lack of on-campus Community Groups on Sunday mornings and because students have faithfully attended on Wednesday night, we are going to combine Community Groups and our normal Wednesday Night programming. It will be the same Life 122 format but starting 15mins earlier at 6pm for prayer and accountability in our grade and gender-appropriate groups, and ending the night with debriefing over the message and discussion over that week's Common Text. As a team, we feel this is a great way to maintain community and consistency in these trying times. We will do this with appropriate considerations to safety with either meeting outside or maintaining appropriate social distancing. Feel free to contact me with any questions or concerns about this change.

Humbly Desiring to Serve,

Jonathan Kyle

## Piety Lost

Oh! How far we have fallen as a nation. During these summer months, we have seen our country convulsing in response to the current COVID pandemic, racial tensions, and political vitriol from the three branches of our government, major metropolitan cities, and local county officials.

One virtue we have lost as a nation comes from an old, rarely heard, English word; piety. Some of us have heard the word, but most would struggle to define it until we did a Google search. Contemporary American culture hears the word as a negative characteristic implying religious superiority and devotion. Perhaps the synonym loyalty comes to mind, but historically piety at the fundamental level is *“the proper love and fear of God and man.”*<sup>1</sup>

You probably hear a biblical verse echoing in your ears. That’s right; the virtue of piety has its roots in what Jesus called the greatest commandments. In Mark 12:30-31, Jesus says *“And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.”* The second is this: *“You shall love your neighbor as yourself.”* There is no other commandment greater than these.”

Piety was a crucial virtue in ancient Greek and Roman civilizations, although the proper love and fear of the true God were neglected in these cultures, the love for neighbor or countryman was held in high esteem. Cicero (106-43BC), a Roman statesman, defined piety as a virtue that *“admonishes us to do our duty to our country or our parents or other blood relations.”* Perhaps some of you hear another echo in your ears. John F. Kennedy’s famous line in his Inaugural address back in 1961. *“And so, my fellow Americans: ask not what your country can do for you — ask what you can do for your country.”*

As a nation, we are currently experiencing what happens when a culture does not properly love and fear God or neighbor. In his book *Ideas Have Consequences* Richard Weaver says, *“I see no way, to sum up the offense of modern man except to say that he is impious... He has taken up arms against, and he has effectually slain what former men have regarded with filial veneration.”*

CCA is in a perfect position to introduce, reclaim, and instill in the hearts and minds of students and families true piety where love, duty, and respect are given to God, parents, and rightful authorities past and present.

### From the Worship Pastor Search Team...

Another month has passed and God continues to work in our search to draw us as a team closer to the candidate He has for Candies Creek. These past several weeks we have met, for several hours each time and have seen God narrow our pool of candidates to just a handful. It has been so exciting to see Him move in ways that we are confident it is HIM and not our own doing. We have been having conversations with references as well as candidates and are excited to see what the month of August will have in store! Please continue to cover our team in prayer that God would continue to give us wisdom, discernment and unity as we press on. Pray also for our next Worship Pastor, at this time, known only to God, that he would be growing closer to Christ during this process and that God would already be making the people of Candies Creek near and dear to his heart.

If you've noticed a car outside the Mission House or even seen some activity inside the house, it's because we already have a guest there! Her name is Mary and she's been serving in Asia. We don't want to endanger her friends still in Asia by publicly telling you much additionally but she would enjoy sharing with your Community Group while you are meeting under the trees. Besides serving the Lord overseas for a number of years, she is also a very talented artist. Plus, she's already packed many a shoebox for 2-4 year old girls....those Shoebox Sisters put everyone to work!

*"She is so grateful for the chance to stay in this wonderful house, & loves the beautiful landscapes all around . "*

Lord, thank you that we don't have to have it all figured out. Thank You for reaching out to us first, Thank you for the strength you provide in our weakly flesh to press on towards what lies ahead, to accomplish what you have set before us and remain focused on the goal and to never turn back.

*Philippians 3:12-15, NIV*

**Not that I have already obtained all this, or have already arrived at my goal, but I press on to take hold of that for which Christ Jesus took hold of me. Brothers and sisters, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.**

**Perspectives Course...** God has a "world-sized" role for every Christian in His global purpose. Whether people go to distant countries or stay at home is a secondary issue. The primary issue is what most people are hungry to discover: vision to live a life of purpose. Discovering that vision makes this course valuable, and perhaps crucial, for any Christian-Genesis 12, Psalm 96.3. Thousands of people worldwide have taken this vital course. ## **Shoebox Sisters of 2020**

Despite the Covid19 Pandemic.....

- Do kids around the world still need to hear the saving message of Jesus Christ?
- Do kids still like to play with soccer balls, crayons, dolls, and trucks?
- Do families still need hygiene products?
- Are the Shoebox Sisters still lovingly packing Operation Christmas Child shoeboxes?

The correct answer to all the above questions is a resounding YES! We want children around the world to know that God loves them and has not forgotten them during this time of fear and uncertainty.

By the time you read this newsletter, about 400 shoeboxes for 2-4 year old boys and girls should be packed and some labeled to begin their world travels.

How can you help, you ask. Another good question.

There are actually three ways:

1. If you donate to the Candies Creek Operation Christmas Child account, ALL that money goes toward shipping our shoeboxes.
2. If you want to pack a shoebox but don't have the time to shop, you can go to the Samaritan Purse website and pack a box online. You choose the items and they pack it for you.
3. Thirdly, enjoy with your own kids or grandkids packing shoeboxes and help them gain an appreciation for mission's giving.

## **10 Cheap Date Ideas for Staying In**

There are plenty of fun dates you can have without ever stepping out your front door. And sometimes after a long week, who even wants to leave the house anyway?

1. Cook a special or fancy dinner together. Cooking dinner with your special someone is a great way to spend some quality time together. Try out a new recipe or find some ingredients you don't normally buy.
2. Eat takeout by candlelight. Eating this way is a real treat. Don't believe us? Give it a try. You'll see the light.
3. Have a picnic on the floor. You don't need good weather to have a picnic. Have one on the floor of your living room!
4. Make drinks and sip them on your patio. Whatever your beverage of choice, serving it up at home is going to be a lot cheaper than buying it out and about.
5. Stargaze from your backyard. If you don't live in the heart of a city, you might be able to see a good number of stars in the sky. Grab a blanket, look up, and be amazed. You can't beat that ambiance!
6. Play board games. You can branch out with some strategy games like Settlers of Catan or Ticket to Ride, or just play timeless classics like Monopoly and Clue. Loser does the dishes!
7. Get dessert to go from your favorite restaurant. You can save around \$30-40 just by eating at home for dinner and then picking up dessert to go (and you don't have to pay a tip).
8. Use Redbox coupons for a movie night at home. We know, everyone wants to see the latest and greatest blockbuster movies the first week they're out. But that's overrated. Save \$30-40 by not going to the movies and not hitting up the concession counter. Instead, rent a DVD at Redbox and pick up snacks at the dollar store. Boom!
9. Take a trip down memory lane. Get out old photos or family home movies, and spend some time reminiscing.
10. Make milkshakes, floats or fancy ice cream sundaes at home. Instead of going out and dropping 10-15 bucks at your favorite ice cream joint, just make your own at home. You can even grab a variety of toppings or mix-ins

and still come out cheaper than you would at the ice cream shop.

## Coaches Corner

Dear Church Family fitting together as a body of believers in Christ,

I try to be intentional to start with Scripture in sermons, emails, etc.

Matthew 11:27 All things have been handed over to Me by My Father; and no one knows the Son except the Father; nor does anyone know the Father except the Son, and anyone to whom the Son wills to reveal Him. 28 Come to Me, all who are weary and heavy-laden, and I will give you rest. 29 Take My yoke upon you and learn from Me, for I am gentle and humble in heart, and YOU WILL FIND REST FOR YOUR SOULS. 30 For My yoke is easy and My burden is light.

Hear the Word of the Lord!

I pray that we believe the oneness of the Father and Son.

I pray that we lay all our weariness at His feet.

I pray that we are gentle and humble.

Galatians 5:22 But the fruit of the Spirit is love, joy, peace, patience kindness, goodness, faithfulness, 23 gentleness, self-control; against such things there is no law. 24 Now those who belong to Christ Jesus have crucified the flesh with its passions and desires. 25 If we live by the Spirit, let us also walk by the Spirit. 26 Let us not become boastful, challenging one another, envying one another.

A phrase we hope to use more often is “following the Holy Spirit.” God is very specific with a list of fruit that will be on display of those who follow the Holy Spirit.

I pray that I am more gentle.

I pray that I am less jealous.

I pray that I am filled with more love.

I am praying that our love for one another in a pandemic will be a testimony to lost people and nominal Christians. I am praying that the church body will be the church body and that the people of God will be the people of God.

Jesus is King. Jesus is with us. Jesus is not nervous. Jesus rules the world.

Come Lord Jesus. Send more workers

Thankful for God's Grace,

Pastor *Stan*

## PUSHING BACK THE DARKNESS

“This is the judgment, that the Light has come into the world, and men loved the darkness rather than the Light, for their deeds were evil. For everyone who does evil hates the Light, and does not come to the Light for fear that his deeds will be exposed. But he who practices the truth comes to the Light, so that his deeds may be manifested as having been wrought in God” (John 3:19-21 NASB).

- 1 Jesus burst into the realm of mankind as the light of the world. Pray that men and women across the country will realize that by loving the darkness of sin and rejecting the light of Christ, they fall under judgment (John 3:19).
- 2 In Romans 13:12, Paul encourages believers to “lay aside the deeds of darkness and put on the armor of light.” Pray that those in your church family will daily live in repentance and clothe themselves in the righteousness of Jesus.
- 3 Pray for those in your church family who practice the truth to do so in such a way as to declare to those living in darkness that Jesus can truly change their lives (Matthew 4:16).
- 4 Lift up before God the name of someone you know who is walking in spiritual darkness. Pray that this person will be drawn to the light of Jesus in order to be saved (John 8:12).
- 5 Pray that as followers of Jesus, Christians will live lives that reflect no longer the characteristics and ways of darkness, but the holy nature of Jesus (Ephesians 5:8).
- 6 In Acts 26:17-18, Paul shared how Jesus sent him to the Gentiles in order “to open their eyes so that they may turn from darkness to light and from the dominion of Satan to God.” Ask God to help each of us understand our role in partnering with Him to help others turn from darkness to the light of Jesus.
- 7 Pray that your church family will remember today that their struggle is not against flesh and blood, but against the spiritual powers of this world’s darkness (Ephesians 6:12).
- 8 Jesus used God’s Word to powerfully resist the devil, when He was tempted in the wilderness. Pray that your church family will become so grounded in the Word that they too can use it in resisting the devil and his dark schemes (Matthew 4:4, 7, 10).
- 9 Paul told the Thessalonians that they were not of night or darkness, but were all “sons of light and sons of day” (1 Thessalonians 5:4-6). Pray that we too will walk as children of light, being spiritually sober and alert as we eagerly await Jesus’ return.
- 10 According to 1 John 2:9-10, the one who “hates his brother is in the darkness,” while “the one who loves his brother abides in the Light.” Pray that as brothers and sisters in Christ, we will repent of hating other believers and will genuinely love one another through the power of the Holy Spirit.
- 11 Not wanting to have our sinful ways exposed, our culture often paints sin as good, and righteousness as evil. Pray that in your community, people will begin to see the darkness of sin like God sees it (Isaiah 5:20).
- 12 In Ephesians 5:11, Paul exhorted believers to “not participate in the unfruitful deeds of darkness, but instead even expose them.” Ask God to give us wisdom in exposing the realities of darkness in order to protect those under our spiritual care.
- 13 Movies continually depict scenes filled with spiritual darkness. Pray that Christians will lose their appetite for films that promote violence, sexual immorality, and ungodliness. Pray that those who control and influence this industry will be born again and experience personal revival (Ezekiel 18:30).
- 14 Over the years, secular television has become a major tool in the promotion of darkness. Pray that Christians will no longer choose to expose themselves and their families to unrighteous programming, vulgar language, and that which so often grieves the heart of God (Hosea 4:1-2).

- 15** As your church family prepares to meet this weekend, ask God to reveal any sinful ways of darkness that may be keeping you all from corporately walking in the truth (1 John 1:6).
- 16** For decades, the music industry—often producing lyrics and scenes promoting rebellion, violence, paganism, and sexual immorality—has contributed to the spiritual decline of many. Pray for a revival that will cause healthy change in the music industry and those influenced by it (Psalm 33:2-3).
- 17** Christians are often tempted to view pornographic websites on their private computers. Ask God to protect the members of your congregation from the imprisoning influence of pornography (Job 31:1).
- 18** A flood of printed resources promoting humanism, New Age living, eastern mysticism, false religions, and other vain philosophies has spread across the country. Pray that God will minimize the influence of these resources as He brings us back to a greater knowledge of His Son (Colossians 2:8).
- 19** Throughout our land are many bars and private clubs where drunkenness and immorality are promoted. Pray that the owners of these businesses will have radical encounters with Jesus and will be led by God to remove these kinds of influences from our cities (Ephesians 5:18).
- 20** Intoxication among minors is a major concern in many communities. Pray that Christian parents, local law enforcement agencies, and public school officials will work together to curb this life-endangering practice (Proverbs 20:1).
- 21** Pray that the trafficking of illegal drugs in your community will come to a complete stop. Pray for the safety of your law enforcement agents as they face dangers protecting your neighborhoods from the crimes, violence, and dangers associated with drugs and those who use them (Romans 12:2).
- 22** There is a fellowship shared by believers as we walk in the light as Jesus is in the light (1 John 1:7). Pray that as your church meets together this weekend, the joy of that fellowship will be realized, and sin will be exposed and cleansed.
- 23** Gambling, in both legal and illegal settings, has a way of destroying families by robbing those involved of their financial resources. Pray that Christians will flee from the temptations and struggles associated with this deceptive activity (1 Timothy 6:10).
- 24** Domestic violence seems to be on the rise in many parts of the country. Pray that husbands, wives, children, and extended family members will learn to live in peace and harmony, daily demonstrating the love of Jesus to each other (Ephesians 5:21).
- 25** Divorce, though declining nationally as many couples choose to live together without marrying, continues to be a major practice inside and outside the church. Pray that biblical standards of marriage will be restored among Christians and throughout this nation (Malachi 2:15-16).
- 26** Pray that we will experience a revival that removes from our country the belief that abortion is always a legitimate choice (Jeremiah 1:5).
- 27** Criminal behavior has been so glamorized by the entertainment industry, and the importance of the Ten Commandments so minimized by our culture, that lawlessness abounds. Ask God to send a spiritual awakening to our nation that produces great love for and obedience to God (Mathew 24:12).
- 28** In some communities, racial and ethnic prejudices are still very predominant. Please pray that Christians will genuinely love each other and those around them, regardless of race, nationality, or color (Colossians 3:11).
- 29** Sadly, many church members live no differently than they did before professing to know Christ. Their ways still reflect the darkness of the world system around them. Ask God to send a revival that will make Christians authentic in their walk with Him (2 Corinthians 5:17).
- 30** As Christians struggle to reconcile social justice, political correctness, and biblical truth, ask God to help the churches in your community “examine everything carefully; hold fast to that which is good; abstain from every form of evil” (1 Thessalonians 5:21-22).
- 31** Pray that today’s church will not function under the dark cloud of legalism but in the light of God’s grace, truth, and love (Romans 8:3-4).
