## “Covering Our Future” Building Fund

**Our church education building has been a place of learning, growth, and spiritual foundation for countless children, students, and adults. Now, the building that has sheltered so many needs shelter of its own - a new roof. We invite you to prayerfully consider giving towards this project, so that future generations may continue to grow in faith under a safe and secure roof. The approximate cost is \$35,000. The repairs will entail 300 squares of shingles, with each square costing \$120 for labor and materials. Please think about buying a square or two or ten!**

**Every gift, no matter the size, brings us closer to completing this important and necessary work.**

**New Hope Crisis Pregnancy Center  
 Annual Walk for Life fundraiser  
 September 20th, 2025**

To become a walker or send a designee from your Sunday School class, feel free to sign up using the QR code for an online fundraiser/walker sign up page found in the bulletin insert.

OR, use the hard copy given to each class and bring that form the morning of the walk, and we can help you input the numbers/names at the registration table.

If no one in your class is interested or able to join the walk this year but you are interested in donating, feel free to reach out to Jenna Geyman (808) 753-1773 or Toni Goodwin (423) 457-1338 for any questions or assistance.

We have both been blessed through volunteering with this ministry. The moms, dads, babies, grandparents and siblings who come through the ministry doors meet us for their medical and advocating needs. We walk through what can be an overwhelming journey, connecting individuals to community resources, explaining American healthcare, sharing the gospel, and instilling hope through dozens of encounters even thus far this year.
