The stewardship team has presented a budget of \$1,021,387 for 2026 which is a hair short of a 3% budget increase compared to last year. The missions and evangelism categories total over 20% of the budget. In general, the staff was given a cost of living increase. The general and administrative category also reflects a 6.5% increase mostly from the realities of inflation. If you have questions or concerns, then please get with Pastor Stan, Josh Shoemaker, David Gluckner or anyone else on the stewardship team (Becky Coleman, Robin Elmer, Jeff Sprayberry, Jeff Smith, Robin Williams). We will vote on this budget today.
