The property and space team wants to let everyone know that the upstairs area of the education building needs some repairs. After covering the cost of a new roof and tree removal, the building fund still has over \$15,000. Once the fund reaches about \$40,000, we plan to remove the carpet, fix the subfloor, paint the paneling, and install LVP flooring upstairs. The building fund is set aside for these projects and is open for donations.

Our Church Goal \$10,000

**The office of deacon is an office of service.** We have our "Willing to Be Nominated as Deacon" forms available as you pray for our congregation. In late spring, the church membership will be asked to submit a list of men in the deacon nomination/election process. Please spend some time in prayer and the word and in self-reflection in order to examine yourselves according to 1 Timothy 3:8-13. Please return the form by April 5 if you are willing to serve if nominated and elected.
